

"Always our best"

Coley Street School Newsletter

Date: 19th May 2015

Principal's Post:

Last week we had two important events. Our first READING TOGETHER workshop for new entrant parents started and we have 10 parents enrolled.

The second was our education evening on the same day.

We need to clarify our education night, which we run once a term.

We discuss anything that is topical or new in education at our school. It is also an important time for ongoing communication with your child's teacher.

Previous feedback from parents was that the once a year report night was too rushed and only allowed 10 minutes to discuss your child.

Now we are offering four opportunities to communicate with the teachers and also time to book a personal time slot that could be longer if need be.

This time slot could be at yours and the teacher's convenience.

You may wish to meet a couple of times through the year.

Our aim is better communication and being more accessible to parents.

Last reminder about our PB4L launch day this Friday 22nd May

Casual Vacancy for an elected trustee

A casual vacancy has occurred on the board of trustees for an elected parent representative.

The board has resolved under section 105 of the Education Act 1989 to fill the vacancy by selection. If ten percent or more of eligible voters on the school roll ask the board, within 28 days of this notice being published, to hold a by-election to fill the vacancy, then a by-election will be held.

Any eligible voter who wishes to ask the board to hold a by-election should write to:
