

"Always our best"

## Coley Street School Newsletter

Date: 25th May 2015

### Principal's Post:

Many thanks to our whole community for your support of our fantastic **PB4L Launch Day**. An estimated 600 people including our children enjoyed a brilliant day weather-wise and helped celebrate our children's success and achievements. I need to acknowledge the generous support of many sponsors, helpers, parents, staff and children. An enormous thank you must go to Taryn Small for coordinating the day and for driving our school wide behaviour management system.

Sport continues this week and I need not remind people that it is **Queens Birthday weekend** coming up and there is no school Monday as it is a public holiday.

This is advanced notice that our **caretaker Bob Whitelaw retires** at the end of Term 3 this year and we will be looking for a replacement. This job will be fully advertised through our local newspaper and newsletter at the appropriate time. The last advert attracted 40 applicants and it is no secret that we currently have an outstanding caretaker.

We regularly have comments from visitors to our school about how nice our gardens and grounds look. One of the key skills is for the person to be able to relate to children and staff and this is something Bob is a master at.

Last week, our after school **Study Support Centre** opened up and this appears to be working very successfully. Many thanks to Tina Maclean for her work in getting this concept up and running.
