

"Always our best"

# Coley Street School Newsletter

Date: 7th September 2015

Week 8

## Principal's Post:

Dear Parents / Caregivers

Last week was full of activity and it seems that this week will be no different.

I would firstly like to congratulate all students who participated in our school cross country on Friday.

I was impressed with both the level of participation and also the determination shown by some of our students. Well done to all place getters. Keep training for the Interschool event in Shannon on the 16th.

What an achievement also to have full teams in all year levels in both soccer and touch rugby. Coley kids are certainly active.

This week we have Rooms 1 & 2 on camp at the beach. So fingers crossed the weather stays good and students enjoy their first camp experience. Parents, you are welcome to visit and join in the activities.

On Wednesday our Seniors will be travelling to Wellington to attend Capital E.

We hope you all have a great day as well.

Don't forget you are welcome to come in and see the Life Education van at 2.00pm on Thursday. Paula and Harold enjoy explaining the programmes offered and showing the technology they use to capture students' attention.

Room 3 will wrap this week up with their assembly on Friday at 2pm. Please feel free to join them.

**Have a great week.**

regards

Whaea Tina.

## Important Dates:

# School / Community Notices

## School Production - 'Creepy Town'

We will be having a schoolwide production to be performed at Manawatu College on Thursday 17th September at 6.30pm. Everyone in the school will be taking part.

**Tickets are available from the school office for \$2**

## Scrap Metal Fundraiser for Kindy

You can raise money for kindy while spring cleaning and be environmentally-friendly at the same time. Drop off Thursday 17th Sept 8am-3.30pm outside Kindy.

No white-ware and no household rubbish please as we get no money for these.

Only - cans machinery empty gas bottles, rusty bikes, wire, metal pipes, corrugated iron, motors, batteries, door knobs, metal furniture, pots and pans, car bodies.

If you have larger scrap metal items for collection from your home, farm or business please text details to 0224626644

## Piano/Keyboard Lessons

After our visit from musician Bob Bickerton children have shown considerable interest in music. Therefore, we are gauging what interest there would be in providing Piano/Keyboard lessons at school. In order to participate in these lessons your child would have to meet the following criteria:

- have access to a piano or keyboard in order to practise
- be willing to give up lunch-times for lessons
- be committed to practice daily in order to improve and learn

**If this is for you please fill in details below and return to the office.**

I am interested in participating in piano/keyboard lessons and I meet all of the above criteria.

**Name** \_\_\_\_\_

**Year Level** \_\_\_\_\_
