Week 10

Principal's Post:

Dear Parents

I can't say enough how proud I was of our entire school last week. Everyone worked so well together to deliver a polished and very enjoyable performance of Creepy Town. Thank you to the many people in our school community who helped with costumes, make-up, sound, lighting and also to all our parents who supported some very tired children last week.

This week, our Year 5 and 6 students set off to the mountains. Despite the mountain being closed yesterday, the 5 day weather forecast looks like the sun will be out on Tuesday morning. Fingers crossed for a great day skiing.

I will be on camp with the Year 5 & 6 students from Tuesday until Thursday afternoon. During this time the school will be in the capable hands of Miss Gorrie.

We hold our final term Assembly on Friday. This will be led by our student leaders. It will be a special assembly as we say farewell to Bob and wish him well in his future endeavours. You are most welcome to attend.

Term 3 has been an extra busy term. It has also been a very productive term with students having had a wide range of learning experiences. The success of this term can be attributed to the great support we have here at Coley Street School.

So a big **Thank-you** to everyone who has supported our school and students in many different ways.

I hope your family have a safe and restful holiday.
Regards Whaea Tina
