Dear Parents,

Hopefully by now as a parent you have had the opportunity to either visit your child's class and communicate with their teacher or sit in and observe.

The classes are functioning really well and in preparation for the re-modernising of our classrooms, we have some new venues for the different syndicate levels.

Lets hope by today the tummy bug has run it's course at

Coley Street School and I hear that it has made a visit to another couple of local schools.

Our school numbers continue to climb and in the near future we plan to open a new classroom to accommodate the numbers.

Last week we had a presentation by John Parson's the digital security expert. Again this was valuable information for our children at middle and senior school.

Swimming continues with this fantastic weather and the children are really thriving with their swimming.

Peter Kemp - Principal

School Notices ...

Payments to school

We are often asking families to pay towards our many school activities such as trips, camps, and sports fees. The school heavily subsidises these and we also apply for funding assistance from charities and trusts.

Please be aware that Coley Street School does not ask for a school donation only that you pay the activity/sports fees promptly as required.

Options of making these payments are to pay by:

- eftpos at the school office
- pay by Internet Banking (see the office for a bank account number)
- make regular automatic payments to a school account

Money sent to school

A reminder that money sent to school needs to be in a named and labelled envelope, including lunches please. This way money is not lost and we know who and what it is for. All money (excluding lunches) is receipted at the office.
