Dear Parents,

Last week Coley Street School hosted the Interschool Swimming which was a really successful day with lots of great individual performances.

Many thanks to Johnpaul Koteka who coordinated the event and to the parents and staff who supported us at the pool.

In two weeks time we have our 3 yearly ERO review which is an overall audit of our school performance which lasts for 3 days from the 30th March - 1st April. This is an opportunity for our school to showcase all of

the good things that are happening and share our data to show student progress.

This week we have a Ripper Rugby one day tournament at Easton Park for Years 5-8.

JUNIOR SWIMMING SPORTS DAY

On Tuesday the 15th March we will be holding the Junior (Years 1-3) swimming Sports at the Foxton Swimming Pool. We would love parents to come and support these and see the excellent progress your children have made in the water this swimming season.

The Swimming Sports will commence at 11.00 am and continue until finished. After children have completed their swimming activities all children can have a free swim. Could you please send your child with two named towels so they can use one towel following their swimming event and one towel for after the free swim. We will then have a picnic lunch in the park before returning to school. You are welcome to take your child/children home after lunch; however, children are to remain at the pools until the swimming has finished.

We look forward to you joining us.

Christine Easton, Mary Culling, Julie James, Marie Reille & Stephanie Dykstra

LATE TO SCHOOL!
