Dear Parents,

Thank you to all of those parents that turned up for the learning conferences last week. Teachers made themselves available all week and it will be interesting to see what our overall response was to the week of interviews. If you get a spare moment please fill in the questionnaire which goes into a box outside of my office.

Our winter sport is now in full swing and some of our children are playing more than one sport with practices as well. Please ensure your child meets their commitments each week as it is a big job organising all of the games, uniforms, equipment and management and coaching of the teams. Currently we have about two hundred children participating each week in netball, rugby, soccer, hockey and basketball.

Thank you to Johnpaul Koteka for his tireless work in sport.

Tonight we have our final board meeting before the elections and I would like to take the opportunity to thank Mary Culling who has been the staff representative for the last 4 years and is stepping down from the role.

Also Shane Parlato who has given a massive commitment to Coley Street School over the last twelve years firstly as a board member and secondly as BOT chairman for the last 5 years.
