Dear Parents,

Hopefully this week the weather is on the improve and we can get back to sport competition without cancellations. The other reason for sport being cancelled recently is an outbreak of measles in the Horowhenua area. You can be assured that all schools are in communication and we are being regularly updated by Mid Central Health. At Coley Street School we have done everything to ensure our records are updated and families will be communicated with as need be.

This coming weekend is a long weekend with Queen's Birthday so **Monday is a public holiday.**

One key focus this year in our National Standards is tracking carefully every student's progress in the school with a special emphasis on raising achievement of our target students at well below and below the standards.
