Dear Parents

Welcome back to term 3 and I hope you had a safe and enjoyable holiday with your children.

This term we have a number of important events including hosting the local schools Kapa Haka Festival, our Wearable Arts display, Cross Country, team sport and academic activities carrying on. Our new Board of Trustees have their second meeting together on August 16th.

This week we have a number of Year 3 students that were promoted to middle school at the end of last term to accommodate more new entrant enrolments this term. We aim to keep our reception class small in

numbers so that we are able to transition them smoothly from kindergarten to school.

My Principal Awards for the last day of Term 2 go to Trinity, Mikaere and Trevor for their achievements in their particular representative sport teams. Great striving guys.

Peter Kemp - Principal

Welcome to:

Te Waipounamu, Te Onekura, and Enoka T who begin on Tuesday;
and **Tyrese B** who begins on Wednesday.

We wish them a successful and enjoyable time at Coley Street.

What is a school board of trustees?

Every state and state-integrated school in New Zealand has a board of trustees. Membership includes elected parent representatives, an elected staff representative and the Principal.

What do trustees do?

The board is accountable for student progress and achievement to its parents and community.

They have the overall responsibility for the school. This includes legal obligations covering curriculum, property, personnel, finance and health and safety.

The board is the employer of all staff in the school, is responsible for setting the school's strategic direction in consultation with parents, staff and students, and ensuring that its school provides a safe environment and quality education for all its students.

Trustees are elected by the parent community by holding an election every three

years and meetings are held once a month.
