Dear Parents,

Doesn't the lovely weather make a difference to everyone's moods and it does change the behaviour of the children. We all enjoyed last week's fabulous weather and may it continue.

We are in full swing for the hosting of the local **Kapa Haka Festival** at Coley Street School on Thursday 22nd of September. We are expecting close to 500 children on the day with staff and supporters so it will be a big day for our school.

Our community are all welcome to support our children and attend the day.

Coupled with that, classes are taking the opportunity to get in training for the **school cross country**.

This is early warning that all teachers have a **stop work**

meeting in Levin on Thursday 8th September at 1.30pm. Parents are encouraged to pick up their children at lunchtime. Some staff will be available but the normal school programme will not be running in the afternoon **and our after school study centre will be closed that day.** We hope this does not inconvenience parents too much.

FRIDAY LUNCH SPECIAL - PIZZA

1 piece of Pizza for \$2 or 2 pieces for \$3 - Hawaiian or Pepperoni
Orders to the office in a named envelope with your choice of pizza.
Thanks for supporting the Senior Hub camp fundraising.

DAFFODIL DAY - Friday 26th August

*The Cancer Society's Daffodil Day is a national appeal which provides a wonderful opportunity for us all to remember and support those affected by cancer. The Cancer Society is a non-government organisation reliant on donations. Students and teachers have always contributed to the success of Daffodil Day and for a **coin donation** the Cancer Society provides our school with resources such as fabric daffodils, posters, stickers, and activity pages for the children. Daffodils are available from the office.*

LOST PROPERTY

Our lost property is growing at an alarming rate! Please come and check to see if any items belong to your child. To date we have: 37 sweatshirts, 9 jackets, 3 pairs of track-pants, 6 pairs of shoes, 8 hats/beanies and 2 baskets of socks. Please ensure your children's clothes are named then they can be returned to them.

PLASTIC BAGS

We always need these at school so if you have too many at home bring them into school.

HEAD LICE

*We have been advised by parents that head lice are about again! This condition spreads easily so it is recommended that you **check and treat** your child's hair regularly until the problem is under control. If you suspect that your child may have head lice, it is important that treatment be given immediately. Ask our local Pharmacy to suggest an effective treatment product.*

MOBILE DENTAL UNIT

Dear Parents/Caregivers,

A Mobile Dental Unit will be visiting Coley Street School from Wednesday 24th August to examine and provide preventative treatment (cleaning, fissure sealants, x-rays and fluoride treatment) where required for patients due for their annual check. Students requiring further treatment, (fillings and extractions) will be sent an information pamphlet, medical history update form and consent form. These will need to be signed and returned to either the Mobile or the school office before any treatment is undertaken. If parents have any concerns or wish to be present at their child's dental appointment please contact us on either of the numbers below.
