Dear Parents

Last Friday we held our annual cross country and there was some excellent individual performances which will hold us in a strong position for the interschools at Shannon this Wednesday. If your child got placed in the first 4 then they will be representing our school at the Shannon Golf Course starting at 10.00am.

This Thursday 8th September we have the annual Kere Kere Schools Mathex competition to be held at Foxton Beach School.

The same day staff are directed to a stop work meeting in Levin from 1.30pm onwards so parents need to pick their children up by 1.00pm. The after school study centre is closed on that day.

The term is quickly coming to a close but before that we have two big events which are our Wearable Arts festival and the Kapa Haka festival.

Our children are loving the integrated learning around Maori myths and legends and the wearable arts.

Thank you to all of the parents who have been assisting the children with their costumes.

Congratulations to Niamh who came away from the Moutoa Pony competition with Champion pony In Hand and Champion ridden Pleasure pony.

SORE THROATS

You must see your GP if you or a family member experiences any of the following:

- a sore throat that lasts more than a few days
- difficulty swallowing
- enlarged or coated tonsils
- a high temperature (above 39°C)
- swelling in your neck
- ear ache or joint pain.

If your child is Māori or Pacific, is aged four and above, and has a sore throat, please get it checked straight away.

If you have a sore throat, some of these things may help:

- Drink more fluids. (Drinking through a straw may hurt less.)
- Eat soft foods that are easy to swallow.
- Try cold fluids, ice blocks, or honey and lemon juice in hot water.
- Gargle with warm salt water (1/2 tsp salt in 200ml water).
- Suck on hard sweets or throat lozenges.

- Take pain relief such as paracetamol or ibuprofen (as directed by your doctor or pharmacist).

Always cover your mouth and nose with a tissue when you sneeze or cough.

Avoid close physical contact such as kissing, and don't share eating or drinking utensils (eg. cups or knives and forks).

Sometimes a sore throat is caused by Streptococcus bacteria (strep throat), which can lead to rheumatic fever if it is not treated with antibiotics. Rheumatic fever is a serious illness because it can cause heart damage.
