Dear Parents,

As we move into the last week of the term it is a final reminder about our two major events. Firstly on Tuesday evening we have our Wearable Arts Festival which the children have been working on all term. This event starts at 6.30pm and the children are expected to be seated at the front of the hall by 6.00pm. Please ensure your children are picked up from the hall afterwards.

When we study a topic like Maori myths and legends the teachers ensure it is integrated across all of the children's learning areas so that it is not taught in isolation.

The work and collaboration that has gone into making the wearable costumes and masks is unbelievable. Remember there is a safety limit numbers wise in the Manawatu College Hall so please get your tickets quickly.

Secondly on Thursday we host the annual Kapa Haka Festival at Coley Street School which starts with a Powhiri at 9.30am. We get to host once every 6 years so it is an important day for us.

On the day we are catering for morning tea and lunch for all of the adults, while the children are bringing their lunch. We are asking for volunteers to assist with the food preparation in our hall and we would be very grateful if each family could supply one plate of food.

On Friday we have our normal end of term awards assembly starting about 1.45pm.

In the first week back next term Shannon are going to try to host the Interschool Cross-country again on the first Wednesday back.

We hope you have a safe and enjoyable break with your children over the next two weeks.
