Dear Parents

I wish to inform parents that we have too many children arriving to school **late to school**. This can be very unsettling for the children themselves, the teacher and the rest of the class. The Ministry of Education have done some specific research on student achievement and the 3 things that affect achievement the most are late to school, non-attendance and transience (shifting schools on a regular basis). The shifting of schools restricts children from building strong relationships with other students and teachers.

Please ensure the children do arrive on time as it is an important life skill for future employment and responsibility.

Please take note of our diary of events leading to the end of the year. It is extremely busy with just 5 ½ weeks left.

School Notices

After School Homework Club - Student Safety

Students in homework club are supervised by the 2 staff employed for this purpose. For the safety of all please do not think it is ok to leave your child at school to play with another student who is attending homework club. We encourage students to go home after school. If a parent then allows them to come back to school and play the responsibility of their care is the parents. Homework centre staff are only responsible to supervise students enrolled.

HATS ON FOR TERM 4!

A large number of children are coming to school without a sun-hat - parents please provide your child with a suitable, named sun-hat for school.

UNIFORMS

A large number of sports uniforms have not been returned therefore we do not have enough for our current sports teams. It costs the school a great deal of money to provide sports uniforms free to our children and all we ask is that they are returned and washed!

Lunch time sports Games

Parents - are you interested in putting your name forward to join us in the lunch-time play period and supervise/coach /mentor a game with students. If you have some spare time and would like to commit to one hour a week, please contact Whaea Tina through the office for further information.

We ask that you pay the sports fees you register your child for. These fees are paid direct to the sporting organisation as an affiliation fee. Coley Street school subsidises these costs for our parents but we are still left with many unpaid fees. So please pay us so we can continue to offer these opportunities for our children.
