Dear Parents,

This past week our children have enjoyed a couple of big days out of school with the junior trip to **Te Manawa** and the Esplanade and the Senior Hub '**Beach Education Day**' at Foxton Beach. Thank you to the parents and staff who organised these events.

Our Senior Leaders were voted for by children and staff and the outcome is that we have 8 **School Leaders**, Te Ati, Haylee, Xyvana, Oliver, Kaedie, Vincent, Eden and Jordan. The first 4 children are also our House Captains. The leaders play a really important role in our school by organising school events for the other children, attending important events as school ambassadors, being important role models for the younger children, as well

as being student representatives for any new ideas at our school.

If there is a keen parent or friend of the school that has an interest in coordinating our horticulture patch with children, please let the Principal know.

In the past we had a parent that assisted in preparing and planting and then harvesting and cooking vegetables so that children learned the plant to plate concept. This can be a time commitment and needs to fit within teaching time.
