Dear Parents,

With the onset of warmer weather our children have really enjoyed our school pool and the improvement in water confidence has been amazing. Especially our reception class children who have progressed hugely. Again a massive thank you to Mrs Huzziff who commits everyday to assisting our children become water confident.

Our next big event is the interschool swimming and last week we named our team to participate on Monday 13th March at the town pool.

We recently formed new house groupings for academic, cultural and sporting competition. The number and range of ages had become unbalanced as students arrive and leave, so we have balanced the numbers and ages of students.

Our school leaders were also appointed after voting took place from students and staff.

We are lucky to have surplus staffing this year which allows us to have Amy Gleeson working with a range of small groups to raise their achievement. Very few schools are lucky enough to have this resource and the children are responding well to extra support.
