Dear Parents,

Last week was a busy week with us hosting a really successful Interschool Swimming Sports for Years 4-8. We had some exceptional individual and team performances but our senior girls in particular stood out in their age group capturing 1st, 2nd, 3rd and 4th place in almost every event. Thank you to our dedicated group of parents who assisted as timekeepers and judges as well as our own staff. Your children were great representatives of Coley Street School.

On Thursday we ran our Junior Swimming Sports which could have been a disaster with the pool filtration system breaking down just before we started. However our young children adapted beautifully and braved the deeper pool to display their water confidence.

Thank you to the local pool staff who assisted our children in the water. Some of the local schools including ourselves have had trouble with children

from other schools coming onto our grounds and either vandalising or stealing items. Please ensure your children stay off other school grounds. They are most welcome to use our grounds and play areas out of school time but the normal school rules apply.

We are flying through the term and this week being Week 8 we are lucky the weather has stayed fine and children are still using our pool.

Our roll is already steadily climbing and we have currently 8 new students starting day 1 Term 2. These are mainly new people to Foxton.

Peter Kemp - Principal
