Dear Parents,

We have a full on two weeks before the holiday break. Last Thursday our **senior touch rugby team** made the finals of the Super 10 which is a great effort against 9 other strong schools. Also on Thursday evening some of the same children kept on their winning way in **basketball**. This Thursday our Coley 1 team play Foxton Primary in the final while our Coley 2 team playoff for 3rd and 4th.

This Wednesday we have our **Athletic Sports** all day with the juniors joining us later in the morning. From these sports we pick our Interschool Team for the following Wednesday when we host the event at Coley Street School.

This coming **Friday from 12.30pm - 2.30pm the Foxton Pools** are hosting a pool party for our school because of the hiccup with the filtration system on the day

of our Junior Sports. Parents may attend and pick up your children from the pools afterwards.

Our end of Term 1 data has been collated and analysed and there has been some excellent progress made by our students. Next term we look forward to about 10 new enrolments. Currently we have a serious infestation of **head-lice** and we have a group of parents that are prepared to treat all children but we need permission from parents in order to eradicate these. Please fill out the **permission form enclosed** with this newsletter and return to the office please.
