Dear Parents,

Over the last week we have had a crossover in sport seasons with our annual Athletic Sports completed on Friday in beautiful weather. Our athletes put in some excellent performances and are looking strong for the interschools this Wednesday at Coley Street School.

Thank you to all of the parents who volunteered their time to officiate. This made the sports very easy to manage and went very smoothly.

On Saturday our children started winter sport with our A Netball Team having a great win in the Levin Competition. At the same time we had a large number of children starting their rugby season off for Foxton Rugby Club.

This is a reminder that in Week 3 we have Parent Interviews when you can book an appointment with your child's teacher to get an update on their academic

progress. This is a really important time to connect with your child's school work and communicate with their teacher.

Teachers are available from 3-5pm each day until Thursday plus one late night until 7.00pm, so please commit to an appointment.

We welcomed 8 new children last week and over the next few weeks we have a real increase in new entrant numbers. Our reception class is proving to be a real success with our new children and parents and this sets the children up with some real basics for taking forward into their schooling. This is a real bonus for our school being able to afford the staffing commitment to both the reception class and an intervention teacher for 3 days a week.

Peter Kemp - Principal
