Dear Parents,

Our assembly on Friday came at a very appropriate time as we were able to outfit our whole school in nice warm wet weather jackets thanks to the very generous sponsorship from Kids Can. Not only that but they provided us with a lot of other medical and hygiene products to ensure our children are well catered for. Those children who did not receive a jacket will do so as soon as we correct some of the sizing issues.

Interview week appeared to go really smoothly although we would have liked a better response from parents. If you would like an appointment with your child's teacher do not hesitate to contact the school office or the teacher personally.

Wednesday we took our senior leaders to the national Young Leaders Day at Porirua and the

students really gained some great insights into further developing their leadership skills. This week we have seniors away competing at the Super 10 Netball Tuesday and then we have our Kere Kere Schools Ripper Rugby Wednesday at Easton Park for middle and senior school.

Just a reminder to parents that school starts sharp at 8.45am. We have a continuous group of children that roll in late up till 9.30am at times which is a real unsettling process for them, the teacher and the rest of the class. Please be more punctual for the start of school.

Thank you to those parents that ring the school office in the morning if their child is going to be absent from school for medical or other reasons.

We need to know if your child is safe, so we appreciate your call.

To contact the office: ph 3638117; send an email;

office@coleystreet.school.nz;

send an absence notice from our website; or send a reply text message that we have sent to you.

LATE TO SCHOOL! **School starts at 8.45am.**

Children coming after this time must report to the school office as they have missed the daily attendance roll taken in class.

Children need to arrive on time ready to settle into their school work, the most productive learning time of the day is in the morning.

Being late for class is not only disruptive for your child, but for other students and the teacher as well. It may not seem that being late would not have much effect on your child's learning - but it does!
