- **Friday 7 July** - End of Term 2

**From the Principal's Desk**

[principal@coleystreet.school.nz](mailto:principal@coleystreet.school.nz)

Dear Parents,

We are now in week 8 and only 3 weeks out from the July holidays. This week we have two sport days with our School hosting 9 other schools on Tuesday for the super 10 rugby. There will be some outstanding competition with some big schools present.

On Wednesday Foxton Beach School host the Kere Kere Schools soccer tournament at Manawatu College where we have players from years 5-8 competing.

Our school has also entered a senior team year 7 / 8 in the police competency competition. Three years ago we won the regionals and went onto the national finals.

Teachers over the last couple of weeks have reported some fabulous progress by our students in the assessment results. We as a school are constantly looking at ways to improve our teaching and learning.

We would love to share some individual academic improvements but because of privacy we are not allowed to name students.

However I will tell you that one new student to our school this year was a real struggler and received a zero mark in a test result. After a few months of intensive support this same student gained 65% in the same test. This sort of result is extremely exciting for the teacher as well as the child and parents.

Next week classroom books will come home for parents to view and week 10 reports will come home.

Peter Kemp - Principal

## Principal Award of the Week:

**Bailey** for caring and thinking  
**Navah and Clay** for caring about others

## Students of the Week:

### Room 1

**Kaz** for making good choices and **striving** in his learning.

#### **Under 13 *BOYS* Representative Hockey** **Pre Trial Training**

If you are Under 13 (on the 1/1/17) and interested in playing representative hockey, there is a pre-trial training on Sunday 25 June – 9am-11am at the Halliwell Turf. Please come prepared with stick, shin pads and mouth guard.

### **LIBRARY HOLIDAY PROGRAMME NOTICE**

#### **"Take a Chance" - A Maths is Fun Programme**

Come and "take a chance" with our upcoming Maths is Fun programme. Get involved with fun, interactive and slightly challenging activities and games that really get the brain working. There will be take home packs with activity sheets and giveaways for the whole family to enjoy together. Certificates will be given to those who complete the programme at the grand finale. A great way to keep children entertained during these holidays - they will love it. Maths is Fun is FREE and will be held at Te Takere and Foxton libraries in the first week of the holidays. **Dates: 10th - 13th July (first week of the school holidays). Registrations start 26th June at Te Takere and Foxton Library.**

### **ASTHMA RESEARCH STUDY - MASSEY UNIVERSITY**

Massey University is currently conducting an important health research study looking at the role of bacteria (that are naturally present in the airways) in the development of childhood asthma. One in 4 NZ children suffer from asthma. However, despite medication, 25% of these children still experience asthma symptoms and the reasons and underlying mechanisms are not clear. This study aims to investigate the possibility that airway bacteria are associated with causing childhood asthma in some New Zealand children.

This study seeks to recruit 600 children with asthma, aged 8-18. If your child has asthma the researchers would greatly appreciate it if you could take part in this important health study. If you want more information or would like to take part in the study, then please e-mail or call Jean Feary McKenzie at [j.fearymckenzie@massey.ac.nz](mailto:j.fearymckenzie@massey.ac.nz) or 0800 080 078.

### ***Sausage Sizzle Lunch***

***Lunchtime : Tomorrow***  
***Sausage \$ 2 Drinks \$ 1***

***Tuesday 20 th June,***
