Dear Parents,

Last week was a big sporting week with our children taking out the rugby title in the super 10's and then our year 5 and years 7 teams took out their respective Kere Kere Soccer titles.

Our two teams that entered the Police Competency test also achieved some good results. Our dedicated parents that have been checking and treating our children for head lice has been a real success. Our whole junior and middle school has been checked and many treated.

At the end of this week your child will bring home their classroom books and the following week they receive their report. Remember junior hub only get a report when they have been at school for 20, 40, 60 and 80 weeks.
