From the Principal's Desk

principal@coleystreet.school.nz

Dear Parents,

We are in our final week of school before the holidays. This term has been an excellent one with some outstanding progress made in our academic areas, some very good sporting performances and a very settled school.

Wednesday morning we have our postcard students morning tea for those students recognised by their teacher or Principal this term.

I would like to make a special thank you to a group of parents who have regularly supported our school in many big events this term whether it be academic, sporting or cultural.

Without the support of you people many of the extra things at our school would not happen.

Also to Hayley and Bonnie who have implemented our head lice checks a big thank you. It is not a topic that people like to speak about but the more we can keep it in the open the more effective we will be in treating the problem. There are teachers who have had head lice a number of times so we are certainly not being judgemental on who has it.

This Friday our leaders will run the end of term awards assembly and they have created a crazy hair day theme.

This is advanced warning that next term our Friday assemblies will be moved to 10.00am in the mornings.
