Dear Parents

Recently the Middle and Senior school received their **reports** and we have analysed our data shifts from Term 1 to Term 2. In particular there has been some exciting shifts in our Middle school where Amy Gleeson has concentrated some of her intervention work.

On Friday our students attended the **'Tough Guy / Tough Girl'** competition at Linton Army Camp. This is a real test of the children's fitness and tenacity.

Today we have a visit from ex pupils who are now at Manawatu College to promote their school. It is an interesting time for our students to hear about what happens at the College.

Also on Thursday 10th August is the **Manawatu College Open Night** when parents and students can make informed decisions about their enrolment for next year.

On Friday we have our **Mathex team** travelling to Palmerston North to compete in the annual Manawatu School's Mathex Competition.

Peter Kemp - Principal
