Dear Families,

*Last week we hosted the interschool cross country on a beautiful spring day with the track in perfect order for the running. Belkie had also made a more challenging track for the competitors. The competition included 5 local schools with athletes from years 4-8.*

*We currently have some very talented athletes who did not disappoint and we won all 10 races on the programme. The highlight was 3 Robinson children winning the year 5 girls race, the year 7 boys and year 8 boys races.*

*Over the weekend our success continued. This is the first year we have had 2 year 7½ netball teams who both won their respective Horowhenua Schools finals, with our A Team going unbeaten all year. Some of the star players are still in year 7 so we have a bright future.*

*Thank you to the coaches and parents who supported or coached these girls.*

*This is advanced warning that early next term, Wednesday 1st November,, we are hosting a consultation evening on our localised and refreshed school curriculum. This is an important time for our community to have their say in what we deliver in our school. We have also taken into account the huge amount of positive feedback we received from our parent / student surveys.*

*Peter Kemp* - Principal

- On **Friday 8th September** we are hosting a community health and wellbeing day at our school for our extended community.

At present there are 43 health agencies registered to provide health checks to anyone who wishes to do so, or receive information or make an appointment.

We are providing a service to our community but also wish to celebrate our fantastic canopy facility.

We have food vans selling yummy kai, we have a limited number of hangi meals for sale from a gas operated hangi, a free sausage sizzle plus Libelles, our school lunch providers, will be there to demonstrate to parents the lunches our students receive and to answer any questions.

There will be some exciting sport and leisure activity demonstrations, we will have a celebrity basketball free throw shootout, a short netball game with our A team and their parents and local former players and some entertainment groups such as the Foxton Kindergarten, Manawtu College Musicians, and our junior hub singing waiata as well as our fantastic dance group in action, who are entered in the regional and hopefully national competitions.

Come along, enjoy the day and celebrate good health and wellbeing after our 3 years of COVID lockdowns.

Start time 10.00am - 2.00pm with car parking on our rugby field next to Futter Street.

Please do not park across our gateway on the corner of Avenue Road and Futter Street as that is our main entrance and exit for all of the agencies to set up their gazebos.

If there are any parents who are available for the day to assist on the bbq, tea, coffee and morning / afternoon tea facilities, helping erect agency gazebos, officiating on the car park or assisting Kim on the hangi meals ( please let Peter know - Principal)

**Please spread the word about our 'Hauora Day' to our whole Foxton / Beach and surrounding community.**

# HAUORA DAY
