From the Principal's Desk

Dear Families,

This past week we held both our **Middle / Senior school swimming sports** on Monday and then on Thursday, our **Junior Swimming Celebration**.

The students who participated in both events really enjoyed the occasion and it was great to see the excellent parent / whanau support at both events.

There were some really proud parents and grandparents and it was fantastic to see the development in water confidence in our youngest students.

This Wednesday our senior school student leaders attend the **National Leaders Conference** at the 'Event Centre' in Palmerston North.

On **Thursday 28th March**, our school will finish early at **1.15pm** as teachers have been directed to stop work meetings and our region's meeting is in Levin at 2.00pm.

All students will receive their lunch and must be picked up by 1.15pm or parents need to make arrangements for an early finish for their children.

Easter this year is **Easter** Friday 29th March, Saturday, Sunday, Monday and Tuesday with students returning to school on Wednesday 3rd April.

We then break for the end of term holidays on Friday 12th April (normal finish time)

From time to time, we have enquiries from parents regarding **who is responsible** for the children in certain situations.

It is the parents responsibility to get children safely to and from school.

If there are incidents at home, or in the community outside of school hours, the school is not responsible but can give parents support and advice on how to deal with the issue.

For example, dealing with social media or online bullying can be dealt with by **netsafe** or in more serious cases, the police. There are also age limits set in place for what children can access on social media sites.

Lastly, our **Junior Hub leader Alison Hutchinson** leaves us at the end of term, after 16 years at Coley Street School, to take up a new position at Linton Camp School. Alison has worked across a range of age groups and took up the leader's role in the junior hub, when Rebecca Wanoa went on maternity leave. We wish Alison well in her new role and will miss her experience around structured literacy and her leadership within the Kahui Ako 'Within School Teacher' role.
