Good afternoon parents and whanau,

It is always great to follow up on our former pupils and see what they have aspired to. Recently I met up with Tayne Harvey who completed year 13 at Boys High School, was captain of the first XV rugby and has had a number of rugby unions chasing his signature for rugby contracts. He also recently made the New Zealand Maori Rugby League Team. Tayne has returned to school for a 6th year and has aspirations to make the New Zealand Secondary School Rugby Team. On the weekend we also saw 3 former pupils heading off to their chosen universities to study degrees. Best wishes to Oliver Easton, Eden Parlato and Navah Chapman. We always like to hear what other students are up to. Please ensure you have the above dates of any events noted as we sometimes get told we are not communicating clearly.
