Dear Parents / Whanau,

Welcome back to term 4, which is a short but very busy term. Coley Street School started on the earliest day possible this year in term 1, hence we finish early, on Wednesday 13th December.

Our main focus for this term is ensuring children make as much academic progress as possible and also within sport we have athletics and after school netball.

Next week we have pet day and it is essential if your child is bringing a pet to the day, that someone in the whanau is able to bring the pet in and take it home again, after we have shown the pets.

The pet day will go for an hour from 9.15am and finish at 10.15am.

All pets must be restrained with a lead or inside a pet box and must be controlled. There will be many other pets there as well as all of our children, so it is essential the pets are secure.

*Peter Kemp* - Principal

**This week we welcome our new students:**

## School Notices

### • **PET DAY**

We are planning our school 'bring a pet' day on **Wednesday 18th October**.

If children wish to bring a pet they must be under control so that all animals are safe.

If the pet needs a cage or lead these must be supplied from home. Once the pets have been judged and parents must take the pet home again.
