Dear Parents / Whanau,

Last Friday we postponed our athletics and it proved to be the right decision with a number of heavy downpours throughout the day. The athletics will now be held Friday 1st December.

Yesterday staff attended a full day workshop on structured literacy which focuses on the early stages of children knowing their letter sounds / letters and the constant repetition and routine of this each day. This provides students with more understanding around vocabulary and comprehension. We will receive more support within this area next year.

Next week some of our junior school will attend the Tabloids at Shannon School which is an annual event.
