From the Principal's Desk

Dear Families,

Last Friday we hosted both Koputaroa and North Street School in rugby and netball for a year 7 / 8 tournament.

Our kids competed extremely well and the opposing schools really enjoyed our facilities and hospitality. Later in the day the weather closed in and our rugby players enjoyed the rain and wintry conditions and continued playing.

This week is my final week of Principalship at Coley Street School and I can't believe how quickly the 15 years have flown by. I have thoroughly enjoyed my time in Foxton and especially working with your children who I will miss badly.

I wish the school well and know that it will be in good hands whoever takes over the Principal role. It is a school I am extremely proud of.

Peter Kemp - Principal

- **PARENT PORTAL**

The Ministry of Education has a new webspace on education.govt.nz with practical videos, activities and resources for supporting learning that are easy to understand, and helps parents take an active role in your child's education. Parents will know exactly what your child is learning, why it's important, and when they will be learning it, so that you can actively support and complement your child's learning at home and have meaningful conversations with child's teacher or kaiako.

As the national curriculum continues to be updated and implemented in all schools and kura over the next few years, more resources and supports will become available for parents, caregivers and whanau. We encourage you to visit the new webspace and check out the current resources, guides and videos available.
