From the Principal's Desk

Dear Families,

We had a very emotional week, saying farewell to our long standing Principal Mr. Kemp. We wish him well as he ventures north to Taupo on Tuesday. Not having him greet you first thing in the morning felt odd today and no doubt his absence will impact our students. So this week as we transition we will focus on Taha Whanau by taking care of each other, showing kindness and celebrating the awesome school community we have.

On Monday 26th a group of staff and the student leaders will travel to Mr Kemp's Powhiri to complete the process of poroporoaki.

Winter sports have started, Senior Kapahaka has new tutors and will be practicing every Thursday afternoon, as students prepare for Te Ao Maori Celebration Day on June 18th at Foxton Primary School.

We have lots to look forward to.

- **PARENT PORTAL**

The Ministry of Education has a new webspace on education.govt.nz with practical videos, activities and resources for supporting learning that are easy to understand, and helps parents take an active role in your child's education. Parents will know exactly what your child is learning, why it's important, and when they will be learning it, so that you can actively support and complement your child's learning at home and have meaningful conversations with the child's teacher or kaiako.

As the national curriculum continues to be updated and implemented in all schools and kura over the next few years, more resources and support will become available for parents, caregivers and whanau. We encourage you to visit the new webspace and check out the current resources, guides and videos available.
