From the Principal's Desk

Dear Families,

Thank you everyone who came to our Parent Teacher Interviews last week. Please do not hesitate to contact us if you were not able to make it and would still like to see your child's teacher.

Just a reminder that on Monday 11 August there will be no school. We are joining with other schools in the Horowhenua to learn how to deliver the new Maths Curriculum.

It was a real honour to be welcomed officially as Principal at our Powhiri on Monday, along with Mr Cullen Erika and our new students. Watching the enthusiastic faces of our students as they sang waiata moved not only myself but our visitors. We can be very proud of our children. They have responded well to the expertise tutoring of our beautiful kaiawhina Whaea Samantha. The interest in kaupapa Maori over the past 2 years has seen a growth of over 120 students now wanting to perform in our Kapa haka groups. This is exciting when you think about offering as many varied opportunities for children to succeed as we can.

Thank you to the BOT, staff, and students who have supported me in my new role and help to make the transition seamless. I look forward to serving my Coley Street School Community in the best way I can.

Kind regards
Whaea Tina

Welcome to ...

A warm welcome to our new student and his family:

School Notices

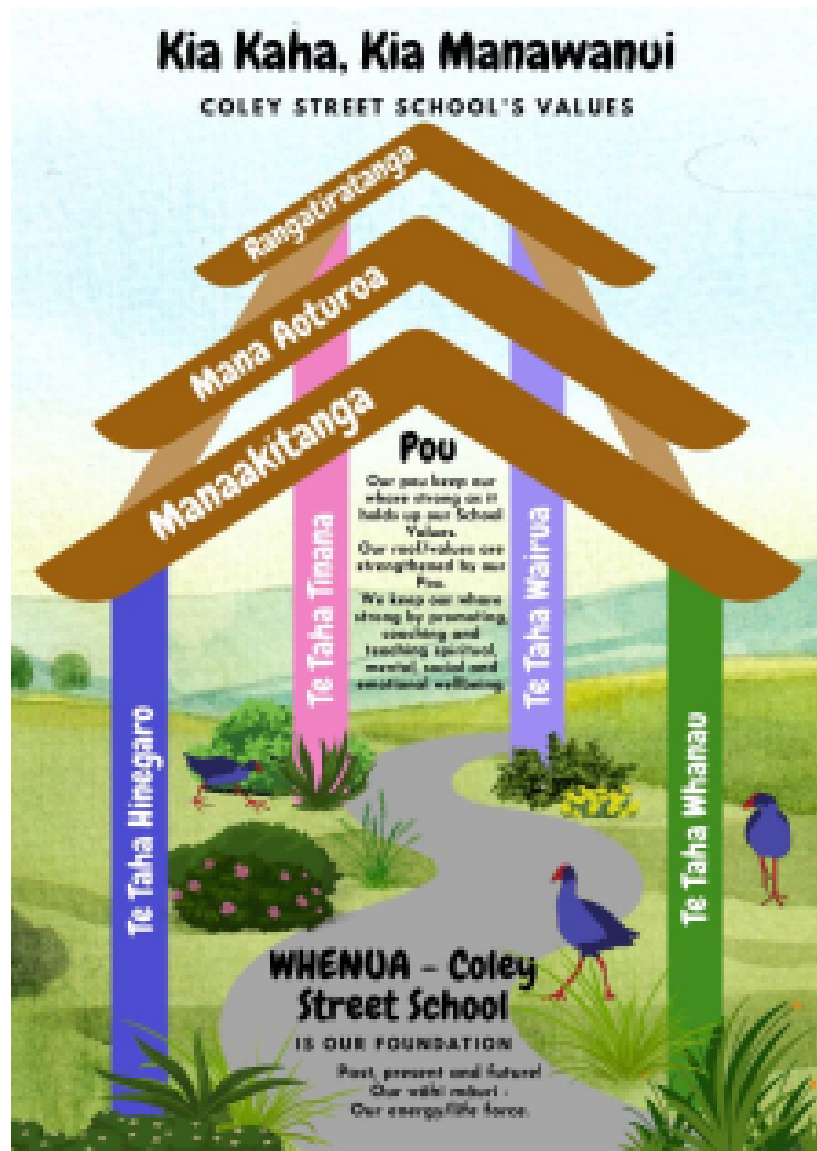

❖ SIGNING IN AND OUT OF SCHOOL

If your child needs to leave during the school day for any reason they must be signed out at the office by a parent or caregiver.

Please do not just arrive at the classroom or playground to collect them. For safety reasons we need to know what children are on site at all times.

Sign out

We have three Coley Street School values. They are Rangatiratanga, Mana Aoturoa and Manaakitanga. We believe health and wellbeing is paramount for our student and school community and therefore have embedded this belief into the structure of our school values. We refer to this as our pou.

We believe that our school is our foundation, enriched with learnings, teachings, experiences of the past and present that will lead us to grow into the future with the future generations to come.

We strive to be a Mana Enhancing school, and wish to grow confident, capable young learners that have the skills to face challenges to come.
